

Brittany Corgan Memorial Scholarship

Carolina Elite Soccer Academy (CESA) is proud to announce that the Brittany Corgan Memorial Scholarship will be awarded to a deserving recipient during the 2020-2021 year.

Brittany was a young lady with talent and dedication. She always gave her best, and poured all her energy into her family, her church, her academics and her soccer activities. There is no doubt that Brittany was a soccer player with a great deal of ability, but more importantly she was a caring and unselfish person who was willing to sacrifice individual accomplishments for the good of a team. Brittany competed at the highest level of youth soccer and was an integral part of five State Championship teams, including two teams from CESA. She participated in the Olympic Development Program (ODP) and enjoyed the opportunity to form lasting friendships with players from around the Southeast, while having the chance to test herself on the field against the best available talent at each event.

The Brittany Corgan Memorial Scholarship has been established and will be awarded to a Female or Male Senior Student/Athlete who most exemplifies the commitment to excellence that Brittany was noted for. We sincerely hope that many who knew her and those who did not will take the time to apply for this scholarship while keeping in mind the values she held close to her heart. The scholarship recipient will be announced in the Spring at the CESA National Signing Day Event.
