Junior Academy Program

Ambition. Passion. Excellence.

The Goal of CESA's Junior Academy Program

is to provide an **ENJOYABLE** atmosphere, where each player can be challenged and **DEVELOP** their **TECHNICAL** skills but also develop a **LOVE of the game of SOCCER**.

Introduction

CESA's Junior Academy Program is designed to support and guide players who wish to make the transition from recreational to competitive soccer. The program is designed for that recreational player who has a strong desire to increase those technical skills while also learning more about the tactical aspects of the game.

The most important aspect of CESA's Junior Academy Program is training.

Technical and tactical training is provided 4 times per week in 1.5-hour sessions by our professional coaches (3 mandatory team practices with coaches and an optional but recommended skills/finishing session). In addition, players are encouraged to work at home on basic technical skills such as juggling, receiving, passing, etc.

It is important that the player understands that a commitment to practice will help the player to reach their goals..

Frequently Asked Questions

Q: Is the Junior Academy the same as Travel Soccer?

A: No. The Junior Academy Program is specifically designed for the U9 to U12 age groups. The Travel Program is for players in the U13 age group and older. However, like the Travel Program, the Junior Academy Program provides professional coaches and advanced training.

Q: Can a player join a team if he or she did not start in the Junior Academy Program at the U9 level?

A: Yes. Players can be evaluated for a team in their age group during Junior Academy Evaluations in May or at any time during the year. Prior inclusion on a Junior Academy Team is not required.

Q: What is a “Pool of players”?

A: Some Junior Academy Teams are pools. A pool is a group of players that train together with more than one coach.

Q: Do all teams train at the MeSA Soccer Complex?

A: Junior Academy Teams will train at the MeSA and/or Wenwood Soccer Complexes.

Q: Can I choose to have my player on a team that trains by our home?

A: No. Players are placed on the team that best fits their abilities. Coach makes the decision about where a team trains.

Q: Do all teams train 3 times each week?

A: All Junior Academy Teams train three nights each week, plus the optional benefit of participating in CESA's Functional and Skills Development Program.

Q: When and how do we find out about game and tournament schedules?

A: Game schedules are posted online via a link on the CESA Website and are updated throughout the season.

Q: Does every away game require a hotel stay?

A: No. For some games, players travel in the morning and return that evening – to locations in and around 2 hours away.

Q: Do players travel via bus to away games?

A: Players are responsible for their own transportation and lodging for away games.

Q: Do all players have to stay in the same hotel?
