Job descriptions for CESA Challenge Tournament
Remember 1 volunteer per volunteer assignment.

*** report to duty after the game**

***** leave early for game**

Volunteer schedule- each team provides one volunteer per time slot

1. T-shirt orders: You will fill the pre-orders for t-shirts orders on the Thursday prior to the tournament weekend. The time will be during the day at the host hotel. Someone will contact you about the exact time and location of host hotel.
2. Swag sort and fill: You will stuff bags with swags and coupons on the Thursday prior to the tournament weekend. The time will be during the day at the host hotel (usually between the hours of 10:00AM-2:00PM). Exact time and location of host hotel will be on the volunteer schedule.
3. Directional Signs-put out: Thursday or Friday before Tournament weekend go to the office (18 Boland Court 329-1113) and pick up the directional signs for the venue assigned to you. Place the directional signs. Bring a hammer because sometimes it is difficult to get the signs in the ground. Directions to where to place the signs will be e-mailed to you the week before the tournament.
4. Directional Signs-pick up: Monday after tournament weekend or late Sunday afternoon pick up the directional signs for the venue assigned to you and return them to the office (18 Boland Court 329-1113) on Monday. Directions to where to pick up the signs will be e-mailed to you the week before the tournament.
5. Registration (Thursday or Friday): You help people sign-in at registration, stuffing bags or help hand out goody bags and other duties as assigned. You will be trained at the meeting. We ask that you report a few minutes early if you have never done registration before. Registration is at the host hotel.
6. Tournament Headquarters (Tour HQ): You help at the "tent" or table near the new building at MeSA or at the picnic area at Wenwood or concessions at other sites such as Brushy Creek and Pavilion depending on which venue you are assigned to. The duties include selling t-shirt (only at Wenwood and MeSA), answering questions, and giving directions for field clean up (MeSA only). We will provide a list of FAQ and phone number of people to contact.
The duties at other sites than Wenwood & MeSA include calling in game scores.
7. Fields: MeSA only assignment. ASSIGNMENT TIME IS USUALLY DURING YOUR GAME. PLEASE CHECK THE TRASH EITHER BEFORE OR AFTER THE GAME, NOT DURING YOUR GAME. You go to headquarters (HQ) and finding out which area you to clean up. At HQ, please pick up duct tape and trash liners. Then go to the fields and empty trashcan (only if ½ full or more), tie up the liner, and place a new trash liner in the can and tape it down with duct tape. Just leave the bagged trash by the trashcan. Also, check around the general area for trash. Someone else will take the trash to the dumpsters. Return duct tape and unused trash liners to HQ.
8. Trophies set-up: Wenwood both AM and PM duty reports to the concession stand. At MeSA, AM duty reports to HQ and PM duty reports to the side of the new building where presentations are presented.
AM duty: You are to help with counting and bagging championship t-shirt as well as set up the trophy table.
PM duty: After the championship, the coach should report to the presentation area. You are to ask how many players/coaches played. Get the trophies and t-shirts (remove extra t-shirts, 2 coaches t-shirt limit). Take the trophies and t-shirts to the presentation table and tell the coach which table their presentation will be at. Also let the presenter know which age group (i.e. U10B) Someone else will be presenting the trophies.
